WELCOME MESSAGE

Dear Colleagues and Friends,

It is with great pleasure that we invite you to our **INASHUM–INAPOS–IDOS Combined Meeting**, bringing together three distinct disciplines: hand surgery, pediatric orthopedics, and distraction osteogenesis.

This meeting has been thoughtfully designed as a parallel gathering of subspecialties—each maintaining its own identity, focus, and depth—while sharing the same venue and moment in time. By doing so, we hope to create a space that is both efficient and enriching: efficient in allowing colleagues to engage fully within their own fields, and enriching in opening doors to dialogue, perspective, and collaboration across disciplines.

Although our daily practices may differ, we are united by a shared commitment to restoring function, improving quality of life, and caring for patients across all stages of life, hence our motto **“Collaboration, Innovation, Impact.”**

The workshops will take place on **29th–30th July 2026 at Fatmawati Hospital**, while the symposium and exhibition will be conducted on **31st July – 1st August 2026 at Swissôtel Jakarta PIK Avenue**, Jakarta, Indonesia.

We also invite you to contribute to the scientific program by submitting abstracts for scientific competition. For details on registration, abstract submission, and program highlights, please visit www.inashumposdos.org

Thank you for being part of this collective endeavor. We look forward to seeing you in this upcoming meeting!

Sincerely,

The Organizing Committee INASHUM–INAPOS–IDOS Combined Meeting 2026.
